September 21, 2022

Dear Doctor:

In accordance with your recent request, we have rechecked the responses from your examination. The result of the recheck process confirms that your score is accurate as originally reported.

**EXAMINATION**

USMLE Step 2 CK

**TEST DATE**

06/29/2022

Many quality assurance measures are used to ensure the validity of all scores and that the correct score is reported for each examinee. Because of these elaborate techniques, the possibility of a score change is extremely remote. We are confident that the score you received is an accurate and valid representation of your performance on this examination.

I hope this information addresses your concerns.

Sincerely,

Jessica Yarrison  
Supervisor  
Certification Program & Services
